# CHRIST COLLEGE PULIYANMALA

Christ College is a newly established center of higher learning at Puliyanmala, Kattappana in the Idukki District of Kerala in 2014. Christ College Kattappana is yet another center of prestigious higher education initiative of the congregation of Carmelites of Mary Immaculate (CMI), the first indigenous religious congregation in the Catholic Church of India founded by St. Kuriakose Elias Chavara at Mannanam, Kerala in 1831.

The CMI congregation has established and successfully manages several par excellent higher educational institutions in India. To name a few: Christ University - Bengaluru, Kristu Jayanati College - Bengaluru, Christ College - Pune, Rajagiri Group of Colleges - Kochi, SH College - Thevara, Christ College - Irinjalakuda, Devagiri College - Kozhikode, KE College - Mannanam, St Joseph's College - Moolamattom, Mary Matha College - Periyakulam, Theni, Marygiri College - Koothattukulam and so on.

## Vision

We are the blessed ones of God, gifted with manifold talents and abilities. We aim at reaching excellence in learning through diligence and service – service of humanity for the glory of God and for the well being of all.

Christ is the light that enlightens our thoughts, words and deeds so that we may bring the light of God to each and every one around us.

## Mission

Inspired by and carrying the legacy of the founder of the CMI religious congregation, St. Kuriakose Elias Chavara, we are committed to the mission of education in order to realize his vision that calls for service to all: "Days on which you have not rendered any good to others will not be counted among the days of your life."

## COMMERCE Department

The Department of commerce is one of the efficient & dynamic sections of Christ College. This department offers courses having specialisation in Taxation, Computer Application & Tourism. The department of commerce also provides a wide platform for extracurricular activities as well as activities for students' personality development. The department is keen in providing better academic resources along with practical academics like conducting Industrial Visit and organising various fests and workshops.

F&T – Gives special emphasis to matters related to finance and taxation. This course offers wide scope in the present day merchandise. One of the biggest taxation reforms in India- Goods and Service Tax is integrating state economies and boosting the overall growth of Indian economy. This stream helps the students to take advantage of changing Indian economic structure.

Computer Application – In a society where Trade and Commerce are widely managed with the help of modern technology, the scope of C.A. never ends.

T&T – Tourism provides a lot of job opportunities all over the world. Those who are interested in travelling and tour management can shine in this field by attending this course.

## ECONOMICS Department

In today's ever-changing and increasingly competitive financial marketplace, knowledge is power. We cannot live competently unless we are updated with changing economic matters. So, courses related to Economics are of very much important now a days.

The Department of Economics is one among the first three departments in Christ College. The department is gifted with an effective guidance of experienced, sincere and dedicated faculty members. The course BA ECONOMICS facilitates the overall personality development of the students through academic and non-academic activities. We provide students updated information through seminars and symposiums by resource persons from different parts of the world.

The programme helps the students to improve skills through different activities like presentations, debates, discussions and moulds them to be the future vibrant economists of our nation.

## COMPUTER SCIENCE Department

Today's social formation and materials progress are the results of information technology. We cannot even imagine the world without computers. It is an unavoidable necessity even in a run – by – one firm.

The increase in the need of skilled persons in the field of technology has provided an immeasurable scope to the job seekers. It has become one of the major job providing courses in the world.

The Computer Science department of Christ college works exceptionally well with the implementation and execution of fresh methods of technological pedagogy. It involves both theoretical and practical lessons. So we invite you to this arena of knowledge, to get yourself ready to be professional in the IT field.

## MANAGEMENT Department

The department of Management (BBA) was established in 2015. The aim of management education is to educate students so that they fit into the business world. They should acquire the attitude, skills, knowledge and name of zeal to be future managers. Management education touches various fields of study like Management, Marketing, Research Methodology, Human Resource Development, Law, Finance and Accounting.

The students should have the concept of global village and equipped to shoulder future responsibilities when they choose a career. Students are sent for project work to get a real life experience of the business world. They are also given opportunities in the college to form various clubs and enhance their working knowledge. Thus, they will be in a position to pursue higher studies like MBA, PGDBM etc.

## ENGLISH Department

The department of English started in the year 2015. The core objective of the course is to educate the students in English language through the study of literature. Literature is a way of life, a religion and a panacea for all walks of life. It is a three year course focusing on multiple theories and genres of language and literature. Along with English Literature, a glimpse of other literatures also been taught, among which the notable one is Indian English Writings.

English being recognized as the universal language, the department is keen in facilitating students with good communication skills. This is evident from the training programmes and add on courses that the department provides. The

department also provides a platform for the self improvement of the students by letting them participate in various intra and inter collegiate academic oriented events.

## TOURISM Department

The department of Travel and Tourism was established in the year 2015. It is an undergraduate degree in Commerce with a specialization in Travel, Tourism and Hospitality Industry. This programme prepares the students to explore the core concepts in Commerce with a special focus on travel and tourism.

Teaching includes lectures and other forms of extension such as presentations, discussions, brainstorming, demonstrations and field visits. The programme has a strong Institute and Industry Interface through guest talks, seminars, panel discussions etc.

Objective: To develop the students with professional and academic inputs to adapt to the requirements of the changing scenario in Travel, Tourism and Hospitality industry.

Methodology: Classroom instruction through audio visual aids and Case studies, Role-play, Industrial visits, Industry placements, Projects, Field visits, Seminar presentations.
